LOCAL (NZ) CHRISTIAN HOME EDUCATORS
WELCOME YOU TO JOIN US FOR ...

At this one-day interactive Seminar we will discuss important tools and principles to seed and grow strong Christian families. We will hear how a strong family is built around solid biblical principles and needs support from a strong church family. At times churches seem to be competing with parents for the hearts and minds of our children, rather than complementing and uniting families. We will hear how this can happen and discuss ways to better integrate family and church life.

You will hear from parents who are actively involved in raising their children in the ways of the Lord and desire to encourage others. Take advantage of this opportunity to take a day out to learn and prayerfully consider the best way to grow your strong Christian family.

CHILDRENS PROGRAMME

Children of all ages are welcome to stay in the main hall for the seminar talks, but we appreciate it's a full day so we are making a children's programme available for 5-12 year olds.

A team of committed young people (both current and graduate home educated) are leading the programme which will focus on the character quality of loyalty using Scripture verses, Bible stories, songs and crafts. Siblings are not split up and older children are encouraged to help the younger ones.

If you wish your children to attend some of the children's programme and some sessions in the main hall with you, just let one of the children's team leaders know.

MEALS

Lunch: BYO for each family/individual.

Dinner: Shared dinner – please bring a quantity to share that would be enough to feed your family.

Morning/afternoon tea: Hot drinks will be provided. We would appreciate if families could bring a plate of finger food to share for these breaks.

ACCOMMODATION

For those requiring overnight accommodation please ask and we can put you in touch with families or accommodation facilities.

Those who live within an hour or so of the seminar - if you are able to have a family to stay please advise us and we will put them in touch with you.
