**Do you want compulsory education
for 3 – 16 year olds?**

**Do you want it to be compulsory to have to enrol
with a General Practitioner and to complete core
WellChild/Tamariki Ora checks?**

“Do you believe *YOU* should be forced to send your children
to Early Childhood Education (ECE)?
Then stand up for the beneficiaries who’ll be forced to do
just that!

Otherwise, when they come for ***YOUR*** chil-
dren, what will you say?”

Please encourage others to send in a submission
Let us protect the children of Beneficiaries

**Remember it could extend to
ALL children if this passes**

Everything for putting in a submission is online here
