

# 17th Century Historical Play

*Presented by members of Wanganui Home Educators*

Several **short skits** portraying famous people from that era – come and guess who!

## Main Play

### *For Christ, Crown and Covenant* A Story of Scottish Martyrs

*Biblical Christianity has influenced society over the centuries and many have by God's grace been faithful witnesses despite the challenges they faced*

And this is, we hope, what our stories will tell  
People of Faith, some stood and some fell  
But in music, religion, science and art  
For God's glory alone they all played a part.  
So many instruments in God's mighty hand  
Come challenge and change - where do you stand?

**Friday 1 November 2013 6:30pm**  
**Trinity Methodist Church**  
**\$5/adult**  
**Seniors and children – gold coin**  
**Supper included during intermission**

Foundations were laid by some very great men  
Speaking aloud and using their pen  
Knox, Luther and Calvin knew well what was true:  
The **Bible Alone** and there's nothing we do  
That will save us from sin but **Christ's blood alone**.  
Apart from **God's grace** men's hearts are but stone.  
**Faith alone** makes men right with God  
**Soli Deo Gloria - All Glory to God!**

*Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. (Matt 5:16)*
